

Scholarship Application

Thank you for your interest in the Arizona Pilots' Association Scholarship. Our mission is to assist Arizona youth in furthering their aviation education.

The enduring goals of APA's scholarship program are:

- To promote a wider and deeper respect for learning in general and for exceptionally talented individuals in particular
- To shine a spotlight on deserving students and encourage the pursuit of academic excellence at all levels of education

The Arizona Pilots Association awards scholarships each year to deserving Arizona youth. With these scholarships we hope to further the education of students who intend to work in the field of aviation as a pilot, aircraft maintenance technician or other related field. Applicants should maintain a scholastic position in the upper half of their graduating class and demonstrate leadership qualities, moral character and concern for others through their service. *Applicants must certify their intent to use scholarship funds toward their education in the field of aviation through participation in an aviation related field in college, flight training, or other related educational opportunities.*

Please carefully review the requirements and submit all necessary documents by the deadline listed on the azpilots.org website. Please answer all questions on the application. Use your cover letter to tell us anything else you'd like us to know, beyond what we ask in the application.

Scholarship Checklist:

- Completed application (see next page)
- Copy of current school transcript
- Cover letter indicating your interest in the scholarship and any other information you'd like us to know (maximum one page)
- Professional recommendation letter(s) from employers, teachers, etc. (optional)

Submit all items together in one email to scholarships@azpilots.org.
