## Arizona Pilots Association Release of Liability

*This document affects important rights – read it carefully!*

The Arizona Pilots Association (hereinafter “APA”) is a charitable, nonprofit organization incorporated in the State of Arizona and approved under Internal Revenue Code 501(c)(3). In order to fulfill its mission, the APA conducts a variety of aviation-related activities and events, including but not limited to clinics and symposiums, safety seminars, flight activities involving privately owned aircraft, campouts, and maintenance of remote airstrips. In order to undertake these activities without fear of lawsuits or liability in the event of an accident, or mishap the APA requires that all participants read and sign this Release of Liability.

By your signature on this Release of Liability, you as Releasor will waive your legal rights to claim, sue or attempt to hold liable the parties being released for any injury, death, property damage, or other damages sustained in connection with any APA sponsored activity or event or in relation to the facilitation or introduction by APA of a passenger and a pilot, including APA directors, officers, agents, attorneys, volunteers, or committee members.

**I accept full responsibility for the safety of myself and my minor children and understand that the APA, their directors, officers, agents, volunteers, committee members, and other entities involved with APA sponsored activities, or if I am a passenger, their introduction of me to a pilot, assume no liabilities for the protection or safety of any aircraft, vehicle, pilot, passenger, or volunteer, participating in any APA-sponsored event.**

**I agree to Hold Harmless** the APA, their officers, directors, agents, volunteers, committee members, and other entities involved in any way with APA-sponsored activities. I do indemnify said parties for damage to personal property or injury to any person or persons arising from my participation in any of its activities. This Hold Harmless agreement and indemnification covers any and all claims by me or my heirs of personal injury, death, damages, attorney’s fees, and court fees.
